Dear Parents:

The education Committee has adopted some guidelines for the students and parents. Maintaining order in the classroom is necessary for learning to take place. Children want to learn, and the volunteers that teach them have the right to an orderly classroom. We need to provide an atmosphere that fosters respect for others. In order to accomplish this we will be following this policy:

*Mentor System: A student creating problems in the class will be asked to leave with a mentor to continue class work for that day.

*Parents will be contacted by the Teacher, Education Director, or Pastor.

*At a second occurrence the student will be asked to leave with a mentor. Parents will be called and there will be a follow-up visit by a Pastor and Or Teacher before that child is to come back to class.

This policy is being adopted to help volunteers with problems that may arise. It is our hope that this policy is never to be used, but is here if it is needed. Please inform your children of this and we will also discuss this policy with them at Sunday school. Thank you for your understanding and support.
