## LETTER TO PARENTS

---

Confirmation is about finding one's own voice of faith to express doubts and fears as well as affirmations and certainties. It is an opportunity to explore faith and learn why we do what we do as Christians and believe what we believe as Lutherans. It is summed up: "What do you believe and why?" Culminating with Affirmation Worship where each Confirmand stands before God, their parents, and the congregation and claims boldly "this is my faith, and my faith alone."

No program can have such an impact on any person's life without the support of their parents. We are convinced that *parents can make the largest impact in their children's faith formation*. Basically, we have your children for about 2 hours a week, you have them the other 168 hours of the week. When parents are involved with the life of the church and talk about faith at home, their children will come to understand their own faith better and what it means to truly trust in God. As Proverbs 22:6 says: "Train children in the right way, and when old, they will not stray." That is the entire point of Confirmation! These three years are about intentional faith formation. Confirmation is about learning what it means to be an active member of a faith community. And it is about claiming the faith which your children were raised in as their own. This will only be successful with your help and support. For this reason, we want to encourage parents to be engaged in the Confirmation program along with your children.

There are a few specific needs we have from parents to make our Confirmation program possible.

- 1) The first is to spend time every Wednesday evening on your drive home discussing what was presented at Confirmation that day. And then take the conversation deeper by connecting that evening's topic to your life as a family. Spending just 5 minutes doing this will help you grow closer to God and closer as a family as you share your faith with your child and hear them express theirs as well.
- 2) We need your help to make this program work!
  - a. **Provide \$10 for snacks for the year:** Your kids are hungry after school! This will enable us to have a good variety of healthy snacks waiting for them when they get to confirmation.
  - b. **Assist with special events** such as SWYG Service Projects, Turkey Dinner, Pizza Party, Lenten Meals, and End of Year Gathering.
  - c. **Volunteer as a small group leader, mentor, prayer partner or chaperone a special event!**
  - d. **Usher at two Sunday worship services with your family.**
- 3) Lastly, but perhaps most importantly, we need you to pray for your children. Or better yet, pray *with* your children!

## *LETTER TO STUDENTS*

---

Confirmation is about claiming your own faith and owning what you believe. It is about affirming your baptism and the promises of Christ Jesus in your life. At the end of these three years, you will stand before the congregation and make these baptismal promises:

- 1) to live among God's faithful people,
- 2) to hear the word of God and share in the Lord's Supper,
- 3) to proclaim the good news of God in Christ through word and deed,
- 4) to serve all people, following the example of Jesus,
- 5) to strive for justice and peace in all the earth.

We believe that these things are what Christians do as a joyful response to the Good News that Jesus died and rose again for our salvation.

These three years of Confirmation are about spending intentional time learning the basic, core, and fundamental beliefs of the Christian faith by asking a lot of questions and seeing how we live out our baptismal promises. Confirmation is not the end of religious instruction but the beginning of an adult life of faith in the Church. Experience has proven that little challenge results in little growth. Therefore, we approach Confirmation with a level of seriousness. Confirmation is a program of spiritual discipline (prayer, devotion, serving, worship, etc.). Below are the expectations of Confirmation which will help keep us on track and challenged to grow. They are designed to assist you in growing as a disciple so that by the end of the program you are able to confidently claim this faith as your own.

## COMMUNICATION

---

Our primary means of communication will be via the email address you provided us on your child's liability forms. We will also contact students directly via their school email addresses. You will receive a copy of any email we send to your child.

---

## ABSENCES

---

Confirmation is a program that requires a high level of commitment that is also run with a high degree of grace. It is expected that all students attend AND participate in every event. But also understanding that life circumstances happen, if a student needs to miss an event please contact Pastor Ron to see what will be missed and if makeup work is needed. We are reminded in the grace of this approach that what is "fair" is not always what is "equal." Our goal is not for perfect attendance and busy work. Our goal is to form disciples and grow in faith. Just as each student is beginning their journey on different levels and advance at different paces, so too are the challenges different for each student to grow in their relationship and love for the Lord.

Because most students walk to FLC after school, if a child does not arrive by start of Large Group, a parent will be called to ensure that the child is home and safe. Please let us know if your child will be absent or running late so we know they are safe.
